

Life Purpose Archetype Number 6

Life is all about love. I care for others and myself.

Relationship is Key

If your **Life Purpose** is symbolized by Archetype Number **6**:

You are a **Care Giver; Cosmic Mom/Dad**

The Archetype Number 6 symbolizes our capacity to experience love and intimacy in our relationships with self, others, the Earth, and the Divine. The Number 6 path of development empowers us to stay connected with our love and compassion, to develop the courage and capacity to live from an open heart, to nurture our connections responsibly, and to be of service in our communities.

The Six Pointed Star, a symbol of Number 6, is called a hexagram.

Many cultures and religions throughout time have used the six-pointed star in their symbolism. One example is the generally recognized symbol of Judaism and Jewish identity, the Star of David. Another example, from the Hindu tradition, is the symbol for the heart chakra.

For the Archetype Number 6, when you are centered and aligned, you:

- Experience joy and pleasure in taking care of others
- Are dependable and trustworthy
- See the beauty and the best in others
- Prioritize self care
- Are naturally empathetic
- Like to cultivate a comfortable nurturing home environment
- Have the higher goal of family or group unity in mind
- Are drawn to situations where you experience closeness and intimacy with others
- Create a sense of safety for others in your presence
- Enjoy experiencing and expressing every form of loving
- Are a natural teacher
- Have a compassionate presence and true concern for the well-being and comfort of others that makes you an excellent healer

When stressed, triggered, in need of healing or additional leadership skills, you may:

- Give too much and then feel angry and resentful
- Struggle accepting and loving yourself unconditionally
- Resist responsibility in relationship with yourself and with others
- Not always follow through with what you promise others
- Can be overly responsible and take on the responsibility of others
- Feel burdened when caring for others
- Open your heart to animals but not people
- Want to love others freely and to live with your heart open but instead your heart feels shut down

Life Blessing
and defended

- Have a sense of distorted idealism and expect others to live up to your ideals
- Be critical and judgmental of yourself and of others
- Find it difficult for to have empathy or see things from another person's perspective
- Be controlling
